¹ Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Nationstar APA. Creditors and parties-in-interest with questions or concerns regarding the Debtors' Chapter 11 cases or the relief granted herein may refer to <http://www.kccllc.net/rescap> for additional information.

GMAC Mortgage, LLC (“GMAC Mortgage”), Executive Trustee Services, LLC (“ETS LLC”), ETS of Washington, Inc. (“ETS WA”), and the additional sellers identified on schedule A to the Nationstar APA (such sellers, together with ResCap, RFC, GMAC Mortgage, ETS LLC, ETS WA, collectively, the “Sellers”, and each individually, a “Seller”); (ii) the sale and all related transactions, in accordance with the Nationstar APA and this Order (the “Sale”) of all of the Debtors’ right, title and interest in, to and under the Purchased Assets to the Purchaser free and clear of all Claims², Liens³, encumbrances, or other interests (including without limitation, any and all “claims” as defined in section 101(5) of the Bankruptcy Code and any rights or claims based on any successor or transferee liability) other than the Assumed Liabilities and the Permitted Liens (collectively, all such Claims, Liens, encumbrances and other interests other than the Assumed Liabilities and the Permitted Liens, “Interests”), with such Interests transferring and attaching to the proceeds of the Sale with the same validity and priority as such Interests had in the Purchased Assets immediately prior to the Sale; (iii) the assumption by the Sellers and the assignment to the Purchaser of the Assumed Contracts pursuant to section 365 of the Bankruptcy Code (together with the Sale and other transactions to be consummated pursuant to the Nationstar APA, the “Transactions”) and the fixing and satisfaction by the Sellers of Cure Amounts relating thereto and (iv) granting related relief; and upon the Whitlinger Affidavit, pursuant to Local Bankruptcy Rule 1007-2; the Greene Declaration; and the Hamzehpour

² For the convenience of the parties, the Nationstar APA defines “Claims” to mean “any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured, known or unknown; or any right to an equitable remedy for breach of performance if such breach gives rise to a right of payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured, known or unknown.”

³ For the convenience of the parties, the Nationstar APA defines “Lien” to mean “any lien, charge, claim, pledge, deed of trust, right of first refusal, security interest, conditional sale agreement or other title retention agreement, lease, mortgage, option, proxy, hypothecation, voting trust agreement, transfer restriction, easement, servitude, encroachment, or other encumbrance (including the filing of, or agreement to give, any financing statement under the Uniform Commercial Code of any jurisdiction).”

Declaration; and the Court having entered an order, dated [], 2012 (the “Sale Procedures Order”), authorizing and approving the Sale Procedures, bid protections, notice of the Sale, and the hearing to consider approval of the Transactions (the “Sale Hearing”)⁴; and an Auction having been held in accordance with the Sale Procedures Order; and at the conclusion of the Auction, Nationstar (the “Purchaser”) was chosen as the Successful Bidder (as defined in the Sale Procedures Order) in accordance with the Sales Procedures Order; and the Sale Hearing having been held on [], 2012 to consider the relief requested in the Motion; the record of the Sale Hearing, and all of the proceedings before the Court; and the Court having reviewed the Motion and any objections thereto (the “Objections”); and all parties in interest having been afforded an opportunity to be heard with respect to the Motion and all of the relief related thereto; and it appearing that the relief requested by the Motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and after due deliberation thereon; and sufficient cause appearing therefore, it is

FOUND AND DETERMINED THAT:⁵

A. **Jurisdiction and Venue.** This Court has jurisdiction over the Motion and the Transactions pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.

⁴ For the purposes of this Order, the term “Sale Hearing” shall be any hearing at which the approval of the Sale is considered, including a hearing to consider confirmation of a plan of reorganization if the Sale is approved in connection therewith.

⁵ The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Fed. R. Bankr. P. 7052, made applicable to this proceeding pursuant to Fed. R. Bankr. P. 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. **Statutory Predicates.** The statutory predicates for the relief sought in the Motion are sections 105(a), 363, and 365 of the Bankruptcy Code, as supplemented by Bankruptcy Rules 2002, 6004, 6006, 9007 and 9014. The consummation of the Transactions contemplated by the Nationstar APA and this Order is legal, valid and properly authorized under all such provisions of the Bankruptcy Code and Bankruptcy Rules, and all of the applicable requirements of such sections and rules have been complied with in respect of the Transactions.

C. **Notice.** As evidenced by the affidavits and certificates of service and publication notice previously filed with the Court and based on the representations of counsel at the Sale Procedures Hearing and the Sale Hearing, proper, timely, adequate, and sufficient notice of the Motion, the Sale Procedures, the Sale, the other Transactions, the Auction, the Assumption and Assignment Procedures, and the Sale Hearing have been provided in accordance with sections 105(a), 363 and 365 of the Bankruptcy Code and Bankruptcy Rules 2002(a), 6004(a), 6006(c), 9007 and 9014 and in compliance with the Sale Procedures Order to all interested persons and entities including: (i) the Office of the United States Trustee for the Southern District of New York, (ii) the attorneys for the U.S. Treasury, (iii) the attorneys for ResCap's prepetition secured credit facilities, (iv) the attorneys for the agent under the Debtors' prepetition amended and restated secured revolving credit agreement, (v) the attorneys for the agent under the Debtors' post-petition debtor-in-possession financing facility, (vi) the attorneys for the statutory committee of unsecured creditors appointed in the Debtors' Chapter 11 cases (the "Creditors' Committee") (if no statutory committee of unsecured creditors has been appointed, the holders of the fifty largest unsecured claims against the Debtors on a consolidated basis), (vii) the attorneys for the ad hoc bondholders' committee, (viii) the attorneys for the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, and the

Government National Mortgage Association, (ix) any party who, in the past year, expressed in writing to the Debtors an interest in the Purchased Assets and who the Debtors and their representatives reasonably and in good faith determine potentially have the financial wherewithal to effectuate the transaction contemplated in the APA, (x) each non-debtor counterparty to the Assumed Contracts, any known third party beneficiaries to such Assumed Contracts, all trustees, certificateholders, investors, rating agencies, mortgage insurers and any parties to any pooling and servicing agreements, assignment, assumption and recognition agreements, Servicing Agreements, subservicing agreements or similar agreements (all such parties in this clause (ix), the “Interested Contract Parties”); (xi) all parties who are known to have asserted or believed by Debtors to hold any Interest in or on the Purchased Assets, (xii) the Securities and Exchange Commission, (xiii) the Internal Revenue Service, (xiv) all applicable state attorneys’ general, and local authorities, (xv) all applicable state and local taxing authorities, (xvi) the Federal Trade Commission, (xvii) the United States Department of Justice, (xviii) the United States Attorney’s Office, (xix) the Office of the United States Trustee for the Southern District of New York, (xx) the office of the New York Attorney General; and (xix) all entities that requested notice in these Chapter 11 cases under Bankruptcy Rule 2002 ((i)-(xx) collectively, the “Notice Parties”). The Debtors published the Sale Notice (as defined in the Sale Procedures Order) in the national edition of *The Wall Street Journal* and *The New York Times*. The Debtors provided notice of the assumption and assignment of Assumed Contracts (including Servicing Agreements) and any Cure Amounts related thereto to all Interested Contract Parties of such Assumed Contracts in accordance with the Sale Procedures Order. Such notice placed these Persons on notice that their failure to object to the Debtors’ assumption and assignment of the Assumed Contracts (including Servicing Agreements) or to the Cure Amounts would be deemed consent to the assumption and

assignment of the Assumed Contracts (including Servicing Agreements) and the Cure Amounts. The notice described in this Paragraph C is good, sufficient and appropriate under the circumstances, and no other or further notice of the Motion, the Auction, the Sale Hearing, the assumption and assignment of the Assumed Contracts (including the Servicing Agreements), the Cure Amounts, the Nationstar APA, Sale, the other Transactions and this Order is or shall be required. With respect to parties who may have claims against the Debtors, but whose identities are not reasonably ascertainable by the Debtors, the publication of the Sale Notice was sufficient and reasonably calculated under the circumstances to reach such parties.

D. Extensive Efforts by Debtors. As of the Petition Date and for a period of more than 7 months before the commencement of these Chapter 11 cases, the Debtors worked with their counsel and financial advisors, AFI, and various governmental constituencies to implement a viable transaction that would allow them to continue their operations. The Debtors presented credible evidence that, as of the Petition Date, they had explored various strategic alternatives for the Debtors' businesses over an extended period of time and had communicated with 5 parties about a possible sale of all or substantially all of the Debtors' assets. The Transactions are the result of the Debtors' extensive efforts in seeking to maximize recoveries to the Debtors' estates, for the benefit of creditors.

E. Business Justification. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the sale of the Purchased Assets. In light of the circumstances of these Chapter 11 cases and the risk of deterioration in the going concern value of the Purchased Assets pending the Sale, time is of the essence in (i) consummating the Sale and the other Transactions, (ii) preserving the viability of

the Debtors' businesses as going concerns, and (iii) minimizing the widespread and adverse economic consequences for the Debtors, their estates, and their creditors and employees.

F. **Sale Procedures Order.** On [], 2012, this Court entered the Sale Procedures Order approving Sale Procedures for the Purchased Assets. The Sale Procedures provided a full, fair and reasonable opportunity for any entity to make an offer to purchase the Purchased Assets.

G. **Adequate Marketing; Highest or Best Offer.** As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing, and (ii) the representations of counsel made on the record at the Sale Hearing, (a) the Debtors have adequately marketed the Purchased Assets and conducted the sale process in compliance with the Sale Procedures Order; (b) a reasonable opportunity has been given to any interested party to make a higher or better offer for the Purchased Assets; (c) the consideration provided for in the Nationstar APA constitutes the highest or otherwise best offer for the Purchased Assets; (d) the consideration provides fair and reasonable consideration for the Purchased Assets and constitutes reasonably equivalent value under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia; (e) the Sale will provide a greater recovery for the Debtors' creditors than would be provided by any other practically available alternative, including liquidation under Chapters 7 or 11 of the Bankruptcy Code; (f) taking into consideration all relevant factors and circumstances, no other entity has offered to purchase the Purchased Assets for greater economic value to the Debtors or their estates; and (g) the Debtors' determination that the Nationstar APA constitutes the highest or best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

H. **Opportunity to Object.** A reasonable opportunity to object or be heard with respect to the Motion, the relief requested therein and the Cure Amounts has been afforded to all interested Persons, including the Notice Parties.

I. **Sale in Best Interests.** The actions represented to be taken by the Sellers and the Purchaser are appropriate under the circumstances of these Chapter 11 cases and are in the best interests of the Debtors, their estates and creditors, and other parties in interest. Approval of the Nationstar APA and of the Sale and other Transactions at this time is in the best interests of the Debtors, their creditors, their estates, and all other parties in interest.

J. **No *Sub Rosa* Plan.** In the event the Transactions are approved under section 363 of the Bankruptcy Code, the consummation of the Transactions outside of a plan of reorganization pursuant to the Nationstar APA neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating plan of reorganization for the Debtors. The Transactions do not constitute a *sub rosa* plan of reorganization.

K. **Arm's-Length Sale.** The Nationstar APA and the Transactions were negotiated, proposed, and entered into by the Sellers and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions. Neither the Sellers, their insiders and affiliates, nor the Purchaser have engaged in any conduct that would cause or permit the Nationstar APA, the Sale, or any part of the Transactions thereby to be avoided under section 363(n) of the Bankruptcy Code.

L. **Good Faith Purchaser.** The Purchaser is a good faith purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all of the protections afforded thereby.

M. **Prompt Consummation.** The Sale and the other Transactions must be approved and consummated as promptly as practicable in order to preserve the viability of the business to which the Purchased Assets relate as a going concern.

N. **Corporate Authority.** Each Debtor (i) has full corporate power and authority to execute the Nationstar APA and all other documents contemplated thereby, and the sale of the Purchased Assets has been duly and validly authorized by all necessary corporate action of each of the Debtors, (ii) has all of the corporate power and authority necessary to consummate the transactions contemplated by the Nationstar APA, (iii) has taken all corporate action necessary to authorize and approve the Nationstar APA and the consummation by the Debtors of the transactions contemplated thereby, and (iv) needs no consents or approvals, other than those expressly provided for in the Nationstar APA, which may be waived by the Purchaser, to consummate such transactions.

O. **Binding and Valid Transfer.** The transfer of the Purchased Assets to the Purchaser will be a legal, valid, and effective transfer of the Purchased Assets and, except for the Assumed Liabilities, will vest the Purchaser with all right, title, and interest of the Sellers to the Purchased Assets free and clear of all Interests, including (i) rights or claims based on any successor or transferee liability (ii) those that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Sellers' or the Purchaser's interest in the Purchased Assets, or any similar rights, (iii) those relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Purchased Assets prior to the closing, and (iv) (a) those arising under all mortgages, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, liens, judgments, demands, encumbrances, rights of first refusal or charges of any kind or nature, if

any, including any restriction on the use, voting, transfer, receipt of income, or other exercise of any attributes of ownership and (b) all debts arising in any way in connection with any agreements, acts, or failures to act, of any of the Sellers or any of the Sellers' predecessors or affiliates, claims (as that term is defined in the Bankruptcy Code), obligations, liabilities, demands, guaranties, options, rights, contractual or other commitments, restrictions, interests and matters of any kind and nature, whether known or unknown, contingent or otherwise, whether occurring or arising prior to or subsequent to the commencement of these Chapter 11 cases, and whether imposed by agreement, understanding, law, equity or otherwise, including, but not limited to, Claims otherwise arising under doctrines of successor or transferee liability, Claims or Liabilities relating to any act or omission of any originator, holder or servicer of Mortgage Loans prior to the Closing Date, and any indemnification Claims or Liabilities relating to any act or omission of the Sellers or any other Person prior to the Closing Date.

P. **Severability of Servicing Agreements.** The Servicing Agreements being assumed and assigned to the Purchaser pursuant to the Nationstar APA consist solely of enforceable contracts for providing servicing, subservicing or master servicing for Mortgage Loans. As used in this Order, "Other Agreements" means any right, obligation, representation, covenant or agreement (i) contained in a Servicing Agreement that is not related to (a) collections with respect to, or the administration or servicing or subservicing or master servicing of, or reporting in respect of, Mortgage Loans, (b) servicing fees or ancillary income, (c) the disbursement of collections with respect to Mortgage Loans, (d) the making of delinquency advances and servicing advances in connection with the servicing or subservicing or master servicing of Mortgage Loans, (e) payment of expenses associated with the administration, servicing or subservicing or master servicing of Mortgage Loans, (f) the limitation on liability of,

and indemnification in favor of, the servicer, subservicer or master servicer thereunder, or (g) representations, warranties and covenants running in favor of the servicer, subservicer or master servicer thereunder, or (ii) that relates to mortgage loan origination, or the sale of mortgage loans, in all cases regardless of whether such Other Agreement arises from, or is memorialized in, the same writing as a Servicing Agreement. The Servicing Agreements do not include any Other Agreements, regardless of whether such Other Agreements arise from, or are memorialized in, the same writing as the Servicing Agreements, and to the extent any Servicing Agreement arises from, or is memorialized in, one or more writings which include an Other Agreement, such Servicing Agreement is severable from any Other Agreements. The Sellers are not assuming and assigning to the Purchaser and the Purchaser has no Liability under any Other Agreement. Nothing in the Nationstar APA or this Order shall have any effect on any Other Agreement or any claims related thereto against the Debtors, and the rights, if any, of all parties against the Debtors in respect of Other Agreements are reserved. The rights, if any, of parties against the Debtors in respect of Other Agreements are not the subject matter of the Sale Hearing and are expressly reserved; provided, however, that no party to an Other Agreement may proceed against the Purchaser or the Purchased Assets. No delay or failure of performance by the Debtors under or in respect of any Other Agreement will (i) affect any right of the Purchaser, or any obligation of any other party, under any Assumed Contract (including, without limitation, any Servicing Agreement) or (ii) permit, result in or give rise to any setoff, delay, deferral, defense, recoupment, Claim, counterclaim, default or other impairment of the rights of Purchaser under any Assumed Contract (including, without limitation, any Servicing Agreement).

Q. Satisfaction of 363(f) Standards. The Sellers may sell the Purchased Assets free and clear of all Interests of any kind or nature whatsoever, including rights or claims

based on any successor or transferee liability, because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Interests, including rights or claims based on any successor or transferee liability, and non-debtor parties to the Assumed Contracts who did not object, or who withdrew their Objections, to the Transactions or the Motion are (a) deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code and/or (b) adequately protected by having their Interests, if any, including rights or claims based on any successor or transferee liability, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest, including rights or claims based on any successor or transferee liability. In all cases, each such Person with Interests in the Purchased Assets are enjoined from taking any action against the Purchaser, the Purchaser's Affiliates or any agent of the foregoing to recover any such Interest.

R. **Necessity of Order.** The Purchaser would not have entered into the Nationstar APA and would not consummate the Transactions without all of the relief provided for in this Order (including that (1) the transfer of the Purchased Assets to Purchaser be free and clear of all Interests and including rights or Claims based upon successor or transferee liability, Claims or Liabilities relating to any act or omission of any originator, holder or servicer of Mortgage Loans prior to the Closing Date, and any indemnification Claims or Liabilities relating to any act or omission of the Sellers or any other Person prior to the Closing Date, and (2) the Purchaser not be liable for any Cure Amounts or any other pre-Closing liabilities with respect to any Assumed Contracts). The consummation of the Transactions pursuant to this Order and the Nationstar APA is necessary for the Debtors to maximize the value of their estates for the benefit of all creditors and other parties in interest. The Purchaser has agreed to this Transaction with

the intent of purchasing the Purchased Assets and does not and would not agree to assume anything other than the Assumed Liabilities.

S. **Assumed Contracts.** The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign the Assumed Contracts to the Purchaser in connection with the consummation of the Sale, and the assumption and assignment of the Assumed Contracts is in the best interests of the Debtors, their estates and creditors, and other parties in interest. The Assumed Contracts being assigned to the Purchaser are an integral part of the Purchased Assets being purchased by the Purchaser, and, accordingly, such assumption and assignment of the Assumed Contracts and liabilities are reasonable, enhancing the value of the Debtors' estates.

T. **Cure/Adequate Assurance.** The Debtors have cured or demonstrated their ability to cure any default with respect to any act or omission that occurred prior to the Closing under any of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code. The Cure Amounts are deemed the amounts necessary to "cure" within the meaning of section 365(b)(1) of the Bankruptcy Code all "defaults" within the meaning of section 365(b) of the Bankruptcy Code under such Assumed Contracts. The Purchaser's promise to perform the obligations under the Assumed Contracts after the Closing Date shall constitute adequate assurance of its future performance of and under the Assumed Contracts, within the meaning of sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code. The Purchaser is not assuming any obligation under or in connection with the Assumed Contracts (including Servicing Agreements) occurring or arising prior to the Closing Date, whether encompassed within the Cure Amounts payable by the Debtors or otherwise (including, without limitation, fees or indemnification Claims relating to any period prior to the Closing Date or any acts or

omissions of the Sellers or any other Person occurring or arising prior to the Closing Date). All Interested Contract Parties of the Assumed Contracts (including the Servicing Agreements) who did not timely file an objection to the assumption and assignment of the Assumed Contract, are deemed to consent to the assumption by the Debtors of their respective Assumed Contract and the assignment thereof to the Purchaser. The objections of all Interested Contract Parties of Assumed Contracts (including Servicing Agreements) that did file a timely objection to the assumption and assignment of such parties' respective Assumed Contract or Cure Amount relating thereto were heard at the Sale Hearing (to the extent not withdrawn), were considered by the Court, and are overruled on the merits with prejudice. The Court finds that with respect to all such Assumed Contracts (including Servicing Agreements) the payment of the Cure Amounts is appropriate and is deemed to fully satisfy the Debtors' obligations under section 365(b) of the Bankruptcy Code. Accordingly, all of the requirements of sections 365(b) of the Bankruptcy Code have been satisfied for the assumption and the assignment by the Debtors to the Purchaser of each of the Assumed Contracts. To the extent any Assumed Contract is not an executory contract within the meaning of section 365 of the Bankruptcy Code, it shall be transferred to the Purchaser in accordance with the terms of this Order that are applicable to the Purchased Assets, and the Purchaser shall have no liability or obligation for any (a) defaults or breaches under such agreement that relate to acts or omissions that occurred in the period, or otherwise arose, prior to the date of the entry of this Order, and (b) Claims, counterclaims, offsets, or defenses (whether contractual or otherwise, including without limitation, any right of recoupment) with respect to such Assumed Contract, that relate to any acts or omissions that arose or occurred prior to the date of the entry of this Order.

U. **Unenforceability of Anti-Assignment Provisions.** Except as provided in section 8.3(v) and Schedule 4.3 of the Nationstar APA, anti-assignment provisions in any Assumed Contract shall not restrict, limit, or prohibit the assumption, assignment, and sale of the Assumed Contracts and should be deemed and found to be unenforceable anti-assignment provisions within the meaning of section 365(f) of the Bankruptcy Code.

V. **Personally Identifiable Information.** The Debtors have provided certain privacy policies to consumers that govern the disclosure of “personally identifiable information” (as defined in Bankruptcy Code section 101(41A)) to unaffiliated third parties. Debtors have proposed to sell certain assets, which may require the disclosure of personally identifiable information to third parties. The Debtors’ disclosure of personally identifiable information pursuant to the Transactions is in compliance with the Gramm-Leach-Bliley Act and is consistent with the privacy notices delivered by the Debtors to mortgage borrowers. For these reasons, no Consumer Privacy Ombudsman has been appointed under section 363(b)(1) of the Bankruptcy Code.

W. **Final Order.** This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), the Court expressly finds that there is no just reason for delay in the implementation of this Order and expressly directs entry of judgment as set forth herein.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

1. **Motion is Granted.** The Motion is granted and the relief requested therein with respect to the Sale is granted and approved in its entirety, as further described herein.

2. **Objections Overruled.** Any objections to the entry of this Order or the relief granted herein and requested in the Motion, including any objections to Cure Amounts or the assumption and assignment of Assumed Contracts, that have not been withdrawn, waived, or settled, or not otherwise resolved pursuant to the terms hereof, if any, hereby are denied and overruled on the merits with prejudice.

3. **Approval.** The Nationstar APA, and all the terms and conditions thereof, is approved. Pursuant to sections 105, 363, and 365 of the Bankruptcy Code, the Debtors are authorized and directed to perform their obligations under, and comply with the terms of, the Nationstar APA and consummate the Transactions pursuant to, and in accordance with, the terms and conditions of the Nationstar APA and this Order. The Debtors are authorized and directed to execute and deliver, and empowered to perform under, consummate, and implement, the Nationstar APA, together with all additional instruments and documents that the Sellers or the Purchaser deem necessary or appropriate to implement the Nationstar APA and effectuate the Transactions, and to take all further actions as may reasonably be required by the Purchaser for the purpose of assigning, transferring, granting, conveying, and conferring to the Purchaser or reducing to Purchaser's possession the Purchased Assets or as may be necessary or appropriate to the performance of the obligations as contemplated by the Nationstar APA.

4. **Binding Effect of Order.** This Order and the Nationstar APA shall be binding in all respects upon all known and unknown creditors of, and equity security interests in, any Debtor, including any holders of Interests (including holders of rights or claims based on any successor or transferee liability), all Interested Contract Parties of the Assumed Contracts, all successors and assigns of the Purchaser, each Seller and their Affiliates and subsidiaries, the Purchased Assets, and any trustees appointed in the Debtors' Chapter 11 cases or upon a

conversion to cases under Chapter 7 of the Bankruptcy Code and this Order shall not be subject to amendment or modification and the Nationstar APA shall not be subject to rejection. Subject to the terms and conditions of the Nationstar APA, the terms of this Order shall apply in the event the Sale under the Nationstar APA is consummated by and under any Chapter 11 plan, and may be incorporated into any confirmation order. Nothing contained in any Chapter 11 plan confirmed in the Debtors' Chapter 11 cases or the order confirming any such Chapter 11 plan shall conflict with or derogate from the provisions of the Nationstar APA or this Order.

5. **Injunction.** All persons and entities are prohibited and enjoined from taking any action to adversely affect or interfere with the ability of the Debtors to transfer the Purchased Assets to the Purchaser in accordance with the Nationstar APA and this Order. Following the Closing, except for Persons entitled to enforce Assumed Liabilities and Permitted Liens, all Persons (including, but not limited to, the Debtors and/or their respective successors (including any trustee), creditors, investors, certificateholders, securitization trustees, borrowers, current and former employees and shareholders, administrative agencies, governmental units, secretaries of state, federal, state, and local officials, including those maintaining any authority relating to any environmental, health and safety laws, and the successors and assigns of each of the foregoing) holding Interests in the Purchased Assets or against the Debtors in respect of the Purchased Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing any Interests of any kind or nature whatsoever (including, without limitation, Claims or Liabilities relating to any act or omission of any originator, holder or servicer of Mortgage Loans prior to the Closing Date, and any indemnification Claims or Liabilities relating to any act or omission of the Sellers or any other Person prior to the Closing Date) against the Purchaser or any Affiliate

of the Purchaser or any of their respective property, successors and assigns, or the Purchased Assets, as an alleged successor or on any other grounds, it being understood that nothing herein shall affect assets of the Debtors that are not Purchased Assets.

6. Upon the transfer or assignment of the Assumed Contracts to the Purchaser, each Interested Contract Party of an Assumed Contract is hereby forever barred, estopped, and permanently enjoined from asserting against the Purchased Assets, the Purchaser, its Affiliates or their respective property (a) any setoff, defense, recoupment, Claim, Interest, counterclaim or default asserted or assertable against, or otherwise delay, defer or impair any rights of the Purchaser with respect to the Purchased Assets with respect to an act or omission of, the Debtors, or (b) any rent acceleration, assignment fee, default, breach or Claim, or pecuniary loss or condition to assignment or transfer, arising under or related to an Assumed Contract existing as of the Closing, or arising by reason of the Closing. No delay or failure of performance under or in respect of any Other Agreement will (i) affect any right of the Purchaser, or any obligation of any other party, under any Assumed Contract (including, without limitation, any Servicing Agreement) or (ii) permit, result in or give rise to any setoff, delay, deferral, defense, recoupment, Claim, Interest, counterclaim, default or other impairment of the right to receive any payment or otherwise to enforce any other rights under any Assumed Contract (including, without limitation, any Servicing Agreement).

7. No Person shall assert, and the Purchaser and the Purchased Assets shall not be subject to, any defaults, breaches, counterclaims, offsets, defenses (whether contractual or otherwise, including, without limitation, any right of recoupment), Liabilities, Claims and Interests, or basis of any kind or nature whatsoever to delay, defer, or impair any right of the Purchaser or the Debtors, or any obligation of any other party, under or with respect to, any

Purchased Assets (including, without limitation, an Assumed Contract), with respect to any act or omission that occurred prior to the Closing or with respect to any Other Agreement or any obligation of Debtors that is not an Assumed Liability.

8. **General Assignment.** Upon the Closing, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of the Sellers' interests in the Purchased Assets (or such Assumed Contract, if applicable) and a bill of sale transferring good and marketable title in the Purchased Assets (or such Assumed Contract, if applicable) to the Purchaser. Each and every federal, state, and local governmental agency, quasi-agency, or department is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the Transactions.

9. **Transfer Free and Clear.** Except for the Assumed Liabilities, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the Purchased Assets shall be transferred to the Purchaser as required under the Nationstar APA, and such transfer shall be free and clear of all Interests of any Person (including, without limitation, Claims or Liabilities relating to any act or omission of any originator, holder or servicer of Mortgage Loans prior to the Closing Date, and any indemnification Claims or Liabilities relating to any act or omission of the Sellers or any other Person prior to the Closing Date) and any and all rights and claims under any bulk transfer statutes and similar laws, whether arising by agreement, by statute or otherwise and whether occurring or arising before, on or after the date on which these Chapter 11 cases were commenced, whether known or unknown, occurring or arising prior to such transfer, with all such Interests to attach to the proceeds of the Sale ultimately attributable to the property against or in which the holder of a Claim or Interest claims or may claim a Claim or Interest, in the order

of their priority, with the same validity, force, and effect which they now have, subject to any claims and defenses the Sellers may possess with respect thereto.

10. **Valid Transfer.** The transfer of the Purchased Assets to the Purchaser pursuant to the Nationstar APA constitutes a legal, valid, and effective transfer of the Purchased Assets and shall vest the Purchaser with all right, title, and interest of the Sellers in and to the Purchased Assets free and clear of all Interests of any kind or nature whatsoever, including rights or claims based on any successor or transferee liability, other than the Assumed Liabilities.

11. **Direction to Release Interests.** Upon the Closing, each of the Sellers' creditors and any other holder of an Interest, including rights or Claims based on any successor or transferee liability, is authorized and directed to execute such documents and take all other actions as may be necessary to release its Interest in the Purchased Assets, if any, as such Interest may have been recorded or may otherwise exist. If any person or entity that has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing an Interest in the Sellers or the Purchased Assets shall not have delivered to the Sellers prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Interests, which the person or entity has with respect to the Sellers or the Purchased Assets or otherwise, then (i) the Sellers are authorized and directed to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Sellers or the Purchased Assets, and (ii) the Purchaser are authorized to file, register, or otherwise record a certified copy of this Order, which shall constitute conclusive evidence of the release of all liens, claims, encumbrances, and other interests of any kind or nature whatsoever in the Sellers or the Purchased Assets. Each and every federal, state, and local governmental agency or department is

hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Nationstar APA, including, without limitation, recordation of this Order. This Order shall be binding upon and shall govern the acts of all Persons including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other Persons who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of such assets or other property interests.

12. **No Interference.** Following the Closing of the Sale, no holder of any Interest shall interfere with the Purchaser's title to, or use and enjoyment of, the Purchased Assets based on, or related to, any such Interest, or based on any actions the Debtors may take in their Chapter 11 cases.

13. **Surrender of Possession.** All entities that are currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets in which the Sellers hold an Interest hereby are directed to surrender possession of the Purchased Assets to the Purchaser on the Closing Date, unless the Purchaser otherwise agrees.

14. **No Discriminatory Treatment.** To the extent provided by section 525 of the Bankruptcy Code, no governmental unit may deny, revoke, suspend, or refuse to renew any permit, license, or similar grant relating to the operation of the Purchased Assets sold, transferred, or conveyed to the Purchaser on account of the filing or pendency of these Chapter 11 cases or the consummation of the Transactions contemplated by the Nationstar APA.

15. **Severing of Multi-Agreement Documents.** Any Servicing Agreement memorialized in the same writing as an Other Agreement (such writing, a “Multi-Agreement Document”) is hereby severed and deemed reformed to become a separate, independently enforceable agreement. Any provision of a Multi-Agreement Document that would allow any Person to terminate, recapture, impose any penalty, or modify any term or condition upon such reformation is void and of no force and effect. No delay or failure of performance under or in respect of any Other Agreement will (i) affect any right of the Purchaser, or any obligation of any other party, under any Assumed Contract (including, without limitation, any Servicing Agreement) or (ii) permit, result in or give rise to any setoff, delay, deferral, defense, recoupment, Claim, counterclaim, default or other impairment of the right to receive any payment or otherwise enforce any right under any Assumed Contract (including, without limitation, any Servicing Agreement). Except as provided in section 8.3(v) and Schedule 4.3 of the Nationstar APA, to the extent any Multi-Agreement Document provides that a Person’s consent is required for reformation, such consent requirement shall have no force and effect. Nothing in this Order or in such reformation shall affect any substantive provisions of an Other Agreement. Any indemnity or other provision, to the extent it relates to an Other Agreement, is not part of an Assumed Contract.

16. **Assumption and Assignment of Contracts.** Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code and subject to and conditioned upon the Closing of the Sale, the Debtors’ assumption and assignment to the Purchaser of the Assumed Contracts is approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are deemed satisfied.

17. The Debtors are authorized and directed in accordance with sections 105(a) and 365 of the Bankruptcy Code to (i) assume and assign to the Purchaser, effective as of the Closing, as provided by, and in accordance with, the Sale Procedures Order and the Nationstar APA, the Assumed Contracts free and clear of all Interests of any kind or nature whatsoever, including rights or Claims based on any successor or transferee liability, Claims or Liabilities relating to any act or omission of any originator, holder or servicer of Mortgage Loans prior to the Closing Date, and any indemnification Claims or Liabilities relating to any act or omission of the Sellers or any other Person prior to the Closing Date, other than the Assumed Liabilities, and (ii) execute and deliver to the Purchaser such documents or other instruments as the Purchaser reasonably deem may be necessary to assign and transfer the Assumed Contracts to the Purchaser.

18. The Assumed Contracts shall be transferred and assigned to, pursuant to the Sale Procedures Order and the Nationstar APA, and thereafter remain in full force and effect for the benefit of, the Purchaser, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2), (e)(1), and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer. The Sellers shall be relieved from any further liability, other than the Cure Amounts, with respect to the Assumed Contracts after such assumption and assignment to the Purchaser. The Debtors may assign each Assumed Contract in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-assignment provisions which are void and of no force and effect. All other requirements and

conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Purchaser of each Assumed Contract have been satisfied.

19. All defaults and all other obligations or Liabilities under any Assumed Contract occurring, arising or accruing prior to the date of the assignment or transfer to the Purchaser (including, without limitation, Claims or Liabilities relating to any act or omission of any originator, holder or servicer of Mortgage Loans prior to the Closing Date, and any indemnification Claims or Liabilities relating to any act or omission of the Sellers or any other Person prior to the Closing Date) shall be deemed cured or satisfied upon payment by the Sellers of the Cure Amount, and, without limiting the foregoing, no effect shall be given to any default of the type set forth in section 365(b)(2) of the Bankruptcy Code, or the type of default concerning an unexpired lease of real property described in section 365(b)(1) of the Bankruptcy Code whether or not such Assumed Contract is an executory contract within the meaning of section 365 of the Bankruptcy Code. The Cure Amounts reflect the sole amounts necessary under section 365(b) of the Bankruptcy Code to cure all monetary defaults under the Assumed Contracts, and no other amounts are or shall be due to the non-debtor parties in connection with the assumption by the Debtors and assignment to the Purchaser of the Assumed Contracts.

20. Except as provided in the Nationstar APA or this Order, after the Closing, the Debtors and their estates shall have no further liabilities or obligations with respect to any Assumed Contract other than certain Cure Amounts, and all holders of such claims arising from and after Closing under any Assumed Contract are forever barred and estopped from asserting any claims (other than for Cure Amounts) under any Assumed Contract against the Debtors, their successors or assigns, and their estates

21. The failure of the Sellers or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions, or of the Sellers' and the Purchaser's rights to enforce every term and condition of the Assumed Contracts.

22. **No Successor Liability.** Neither the Purchaser, nor any of its successors or assigns, or any of their respective affiliates shall have any liability for any Interest that arose or occurred prior to the Closing, or otherwise is assertable against the Debtors or is related to the Purchased Assets prior to the Closing. The Purchaser shall not be deemed, as a result of any action taken in connection with the AFI APA or any of the transactions or documents ancillary thereto or contemplated thereby or in connection with the acquisition of the Purchased Assets, to: (i) be legal successors, or otherwise be deemed successors to the Debtors; (ii) have, de facto or otherwise, merged with or into the Debtors; or (iii) be a mere continuation or substantial continuation of the Debtors or the enterprise of the Debtors. Without limiting the foregoing, the Purchaser shall not have any successor, transferee, derivative, or vicarious liabilities of any kind or character for any Interests, including under any theory of successor or transferee liability, de facto merger or continuity, environmental, labor and employment, and products or antitrust liability, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, asserted or unasserted, liquidated or unliquidated.

23. **Fair Consideration.** The consideration provided by the Purchasers for the Purchased Assets under the Nationstar APA shall be deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia. The Sales may not be avoided under section 363(n) of the Bankruptcy Code.

24. **Retention of Jurisdiction.** This Court retains jurisdiction, pursuant to its statutory powers under 28 U.S.C. § 157(b)(2), to, among other things, interpret, implement, and enforce the terms and provisions of this Order, all amendments thereto, and any waivers and consents thereunder, including, but not limited to, retaining jurisdiction to (i) compel delivery of the Purchased Assets to the Purchaser; (ii) interpret, implement, and enforce the provisions of this Order; (iii) protect the Purchaser against any Interests against the Sellers or the Purchased Assets of any kind or nature whatsoever, and (iv) enter any order under section 363 and 365 of the Bankruptcy Code.

25. **Good Faith.** The Transactions contemplated by the Nationstar APA is undertaken by the Purchaser without collusion and in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and, accordingly, the reversal or modification on appeal of the authorization provided in this Order to consummate the Transactions shall not affect the validity of the Transactions (including the assumption and assignment of any of the Assumed Contracts), unless such authorization is duly stayed pending such appeal. The Purchaser is a Purchaser in good faith of the Purchased Assets and is entitled to all the protections afforded by section 363(m) of the Bankruptcy Code.

26. **No Bulk Law Application.** No law of any state or other jurisdiction, including any bulk sales law or similar law, shall apply in any way to the transactions contemplated by the Sale, the Nationstar APA, the Motion, and this Order.

27. **Subsequent Plan Provisions.** Nothing contained in any Chapter 11 plan confirmed in any Debtor's bankruptcy case or any order confirming any such plan or in any other order in these Chapter 11 cases shall alter, conflict with, or derogate from, the provisions of the Nationstar APA or this Order.

28. **Failure to Specify Provisions.** The failure to specifically include any particular provisions of the Nationstar APA in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Nationstar APA be authorized and approved in their entirety.

29. **Non-Material Modifications.** The Nationstar APA and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment, or supplement does not have any adverse effect on the Debtors' estates.

30. **No Stay or Order.** Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d), this Order shall not be stayed for fourteen (14) days after its entry and shall be effective immediately upon entry, and the Debtors and the Purchaser are authorized to close the Transactions immediately upon entry of this Order. Time is of the essence in closing the transactions referenced herein, and the Debtors and the Purchaser intend to close the Transactions as soon as practicable. Any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay, or risk its appeal being foreclosed as moot.

31. The relief granted by this Order shall apply to any affiliated future debtor (a "Future Debtor") in these jointly-administered cases. An affiliated debtor shall be deemed to be a Future Debtor upon the Court's entry of an order authorizing the joint administration of such Future Debtor's Chapter 11 case with the Chapter 11 cases of the Debtors.

32. **Appointment of Trustee.** The provisions of the Nationstar APA and this Order may be specifically enforced in accordance with the Nationstar APA notwithstanding the appointment of any chapter 7 or chapter 11 trustee after the Closing.

33. Notwithstanding anything herein to the contrary, this Order shall not modify or affect the terms and provisions of, nor the rights and obligations under, (a) the Board of Governors of the Federal Reserve System Consent Order, dated April 13, 2011, by and among AFI, Ally Bank, ResCap, GMAC Mortgage, LLC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation, (b) the consent judgment entered April 5, 2012 by the District Court for the District of Columbia, dated February 9, 2012, (c) the Order of Assessment of a Civil Money Penalty Issued Upon Consent Pursuant to the Federal Deposit Insurance Act, as amended, dated February 10, 2012, and (d) all related agreements with AFI and Ally Bank and their respective subsidiaries and affiliates (excluding ResCap and its subsidiaries).

34. The Court shall retain jurisdiction with respect to all matters relating to the interpretation or implementation of this Order.
